## Coronavirus Update

**To Fallbrook Senior Center members, activity groups and staff:**

In compliance with the State of California's mandate to shelter-in-place, the Fallbrook Senior Center has adjusted our services temporarily to meet the urgent needs of our seniors by continuing the Nutrition Program. A new Meals-to-go program has been established for seniors who are able to pick-up a nutritious warm meal curbside. **Meals-to-go are available by calling 760-728-4498** to make a reservation. Also, freshly prepared meals are continuing to be delivered daily to our home-bound seniors.

While the **Senior Center is temporarily closed** during regular business hours, we will be answering emails and messages daily. Please leave your message at **760-728-4498** or email at [fallbrooksc@att.net](mailto:fallbrooksc@att.net).
